City May Need To Supplement Its Resources

Local Situation Not Alarming, Manager Informs Council

Probable necessity of Redwood City at some future date to purchase water from San Farncisco's Hetch Hetchy system to supplement its own water supplies was revealed by City Manager E. A. Rolison at the city council meeting here Monday night.

The need for this supplementary water supply would arise not from a quantity reason but because of the increasing hardness of water now being taken from the city water department's wells, according to Rolison.

The city manager and City Engineer C. L. Dimmitt, who is also manager of the water department, today were holding a conference with Nelson Eckart, manager of San Francisco's water department, regarding possible rates should the city buy water from the Hetch Hetchy.

Members of the council were informed by City Manager Rolison last night that he and Dimmitt are making a comprehensive study of the water situation in Redwood City, but it is not yet complete. When finished, it will be presented to the council.

It was pointed out by Rolison that the situation as regards the condition of the water in this city was not alarming, but at the same time plans must be laid for the future because of gradual hardening and increasing salinity of the supply.

It is contemplated that it might be possible to purchase a portion of the supply from Hetch Hetchy and mix it with water from the city's best wells when the need arises.

The possibility is also being considered of securing a work relief project to provide for pumping water from the wells through a direct pipeline to a reservoir where it can be mixed with purchased water in the future. There is already a connection with the Hetch Hetchy line that can be used, it is pointed out.

$15,000 Suit Filed Over Bayshore Crash

A fatal automobile accident on the Bayshore highway at Brisbane today had brought a damage suit for $15,000, filed in the superior court of San Mateo county by two men who were also injured.

Theodore J. Linde, deputy constable at Brisbane, and Harold J. Trafford, fireman there, are the plaintiffs, each asking for $7500 damages for asserted injuries from Eugene H. Emmick, driver of the machine with which Linde's collided.

Axel Oberg, riding with Linde and Trafford, was fatally injured in the accident. He was being taken to a hospital for treatment of hurts received in a brawl at Brisbane.

Attorneys for the plaintiffs are John R. Tyrrell and W. L. A. Calder.

FIREMEN KEPT BUSY

SAN MATEO, Sept. 17.—Twelve fire alarms were answered by the San Mateo fire department Saturday and Sunday, the most serious of which, a grass fire, threatened the Gymkhana Club Sunday morning.

County Democrat State Delegates Are Selected

San Mateo county's two delegates to the state Democratic convention at Sacramento on Thursday were be Daniel McSweeney, South San Francisco, and Jerome Casey, Burlingame, according to Arthur V. Swift, secretary of the county central committee.

Congressman John J. McGrath is ex-officio a delegate.

However, Evans A. Fletcher, Redwood City, today had received a postcard from Claude J. Hirschey, chairman of the committee, stating that his credentials as a delegate to the state convention had been forwarded to Secretary of State Frank C. Jordan.

Colma Man Leaves Estate to Family

Domenico Garibaldi of Colma, who died in San Francisco on August 29, bequeathed an estate valued at over $10,000 to his widow, daughter, and three sons, according to his will, which was filed for probate with the superior court today by the Bank of America, named as executor.

The will's provisions are as follows: Mrs. Luiza Garibaldi, the widow, to receive half of the community property; Albina Garibaldi, daughter, $5000; Giuseppe Garibaldi, a son, $10,000; the remainder to be divided equally between the three sons, John, Frank and Giuseppe.

R. C. Auto Man Hurt in Crash

Eugene G. Hinds' Car Crashes Into Rear Of Truck

Eugene G. Hinds, 39, of 451 Avenue Del Ora, proprietor of a used car sales business at 721 El Camino Real, was seriously injured at about 7 o'clock Monday evening when his automobile collided with the rear end of a truck and trailer on the Bayshore highway south of the San Francisco county line.

Hinds was declared today by Dr. Harry Mason, who is treating him at the South San Francisco Hospital, to have incurred a compound fracture of the right femur, crushed chest, severe face lacerations and multiple contusions and abrasions.

Driver of the truck, who escaped injury, was Charles E. Rufert, 28, 1551 Carneth street, Fresno.

The accident occurred on the grade proceeding south from the county line. Hinds' machine struck the rear of the trailer and was wedged partly under it, according to state highway patrolmen who investigated.

Bus Company Sued For Fall of Seat

Because a bus seat fell over on him, Read Givens today had filed suit in the superior court in Redwood City against the Pacific Greyhound Lines for $5000 damages for alleged injuries.

Givens' complaint asserts that he was a passenger on a bus from San Francisco to Burlingame on August 8, and that the seat fell over on him when he started to alight.

His attorneys are Vincent W. Hallinan and Elton C. Lawless.

Jalopies Face Fiery Fate

This can't go on much longer. At any rate, not if Virginia and Bill Rich have anything to say about it. They are just about to give up trying to make this 1912 brass-trimmed Ford touring de luxe move over the highways. It won't be long, if they have their way, before the old chariot is carted out to the steel plant. Insert shows a huge electric furnace at a steel rolling mill, important users of Mobiloil and Mobilgrease, where jalopies pass through the trial by fire to be reincarnated as structural steel.

Boat Aground On Coastside

12 Men Are Rescued In Fishing Craft Off Pigeon Point

Twelve members of the crew of the fishing boat, Ohio No. 3, reached shore safely after their craft went aground on the treacherous rocks off Pigeon Point on the San Mateo county coastside Tuesday.

Several of the crew were forced to swim the 200 yards to shore, according to reports from the Pigeon Point lighthouse. Later the vessel was washed to within a few yards of shore, where it was reported in danger of breaking up under the pounding of the waves.

A small boat was put off from the Ohio after she struck. The coast guard cutter Smith dispatched from Oakland to stand by ready to assist the smaller vessel.

The Ohio was an 80-ton sardine boat out of Monterey.

Perry L. Eyre, Atherton, Dies

Services Are Planned Tomorrow Afternoon For Banker

Perry L. Eyre, 65, member of the pioneer Eyre family of Atherton and president of the Perry Eyre Investment ompany at San Fancisco, died early Tuesday morning at his estate on Middlefield road, Atherton, after a short illness.

It was recalled today that Mr. Eyre was to be called as a witness in the famous Flood estate trial two years ago but that his health would not permit his appearance in court.

Surviving him are his widow, Mrs. Elena Macondray Eyre; a daughter, Mrs. Marshall Madison, San Francisco; two brothers, Edward L. and Robert M. Eyre; and two sisters, Miss Mary Eyre and Mrs. R. D. Girvin.

Funeral services were held at 2:30 o'clock Wednesday afternoon at his late residence, with the Rev. Ralph Smith of Trinity Episcopal Church, Menlo Park, where he was a vestryman for many years, officiating.

Atherton Man Dies Suddenly at Home

Funeral services were held Monday afternoon at Cypress Lawn chapel for Pete Lloyd Ashmore of Atherton, who died suddenly Saturday at his home in Atherton.

He is survived by his wife, Frankie B., a son, Paul Lloyd, and two sisters, Mrs. C. E. Reinhart of San Francisco and Mrs. E. McClure of Yakima, Washington. An inquest will be held.

Work on Territo's Market Nears Finish

Completion of a large addition to Territo's Super Market on which work has been going on for the past two months will soon be completed, according to Joseph R. Territo, owner and general manager.

The floor space of the store will be almost doubled and all of the four departments will be enlarged to keep pace with the rapidly growing business.

The market has been in business for just one year and one of the greatest food merchandising sales ever seen on the peninsula will be held to celebrate the first birthday and the enlargement at the same time.

L. A. Meat Packers Indicted for Graft

LOS ANGELES, Sept. 20 (UP)—Five meat packing companies and 14 officials were reported under indictment today by the federal grand jury after an investigation allegedly developed evidence of graft in bidding for "fat" navy contracts for frozen poultry.

The indictments, charging fraud, were voted secretly on information supplied by department of justice agents and members of the navy intelligence department. The investigation required more than a year.

The concerns were said to be charged with running up bids on poultry prices as high as 105 per cent above regular market quotations.

BACK TO STAGE

Hope Hampton, who has been summering in Europe with her husband, Jules E. Brulatour, financier, is shown on her arrival in New York with her new pet dog, ready to take her place on Broadway stages again this season.

DRIVE OPENS TO EXTEND SKYLINE ROAD TO SOUTH

A concerted drive loomed today for full development of the Skyline boulevard within the next year.

Provision in the next state highway department budget will be sought for completion of the Skyline to its projected intersection with the San Jose-Santa Cruz highway near Woodwardia and also to have the boulevard in San Mateo and San Francisco counties improved to conform with present highway standards.

These were among the goals set at formation of the Skyline Boulevard Association by representatives of the peninsula and communities as far south as Watsonville at a meeting late yesterday at San Jose.

Other efforts planned by the group include future extension of the road along the Santa Clara-Santa Cruz county line to Burrell, a little more than two miles further, which would add two more feeder roads—Old San Jose road leading to Soquel and Capitola and Highland way leading towards Watsonville.

Eventually it is hoped that the Skyline will be extended still further to either the Hecker or Chittenden pass roads.

At the present time the highway is six miles short of the Woodwardia terminus. It was estimated that the cost of completing this link would amount to only $300,000.

Representatives attended yesterday's meeting from San Francisco, San Mateo, Santa Clara and Santa Cruz counties, the Soquel valley and Watsonville. Congressman John J. McGrath was also present.

Officers were named as follows: Andrew J. Gallagher, San Francisco supervisor, president; Frank L. Selleck, Watsonville, vice-president, and John McGrath, clerk of the San Francisco supervisors, secretary-treasurer.

Noted Traffic Expert Is Asked To Come Here Early in October

Bion J. Arnold, of Chicago, noted traffic expert and consultant, today was asked to come to San Mateo county in the first week of October to assist in the county's traffic survey designed to secure recognition for the peninsula's rapid transit requirements in the choice of a bay bridge terminal and transit system.

A telegram was dispatched to him this morning by the San Mateo ounty Planning Commission, which was authorized 10 days ago by the county board of supervisors to hire him when sufficient data has been secured by the commission's survey under an $8000 SERA project to warrant his employment.

A passenger count will be made next week on the Southern Pacific trains, it was also announced by Ronald Campbell, planning technician.

Cards will be placed on the trains to be filled out by passengers concerning their origin and destination. The cooperation of all peninsula citizens in filling out these cards is requested. In the meantime, the survey is being pushed ahead rapidly.

102 PARTICIPATE IN Y. M. C. A. ANNUAL CAMPAIGN FOR FUNDS

Clarence Argo, chairman of the Young Men's Christian Association campaign for funds, reported Tuesday evening that the soliciting organization now numbers 102 men. Report meetings are being held each evening at 5 p. m. at the San Mateo Title Company.

Men who are doing the work are as follows:

Clarence Argo, campaign chairman; Harry E. Jenkins, vice chairman; Elmer Morrish, in charge of the business district; B. E. Myers, in charge of the residential section. Workers and districts are:

No. 1—Perry Bygdnes, Howard C. King, George Boring, J. A. Buhler, C. F. Andrews, Carl T. Mabie, Roy Bissell, Jim Dodge, Belton Rhodes, Tom Backlund, Simpson Reinhard, Walter Lynch, Herman Philips, Phil Brand, Dr. R. C. Frazier, John Layng, J. D. Hedge, Omar Doyle, C. M. Doxsee, Charles Lambert and Con Drathman.

No. 1A—Henry Witte, W. J. Dusel, F. G. Musso, Dr. W. H. Taylor, Milton Hinds, W. Hohn, Carl Beeger and W. W. Hilton.

No. 2—Clifton Woodhams, Elmore Hinman, Dr. W. B. Langston, W. G. Girvin, L. C. Brown and Charles Nelson.

No. 3—Ralph Shields, Elmer Hurrell, Robert White, Sam Abrahams, Glen Roszell and B. A. Muir.

No. 3A—A. S. Ligouri.

No. 4—Wilbur Doxsee, Perry Downs, Fred Walker, A. M. Cuthbertson, Joe Hardin, C. S. Grandi and Colon Stokes.

No. 4A—Dr. R. F. Monteith, Harvey Conner, George P. Bloxham, J. Ryan, J. R. Fox, Dr. A. J. Fromm and A. D. Severance.

No. 5—W. H. Pfafflin, Norbert Lambert, George Burns, John Isaac, H. B. Durnam and E. R. Whitehead.

No. 6—Fred Comba, Rev. N. W. Pendleton, Fred Blase and Sanford Dole.

No. 7—Donald Bogie, Donald Kauffman and Fred Gatchell.

No. 7A—Andrew Spinas, Ralph Case, John Gill, Homer Spellenberg and Ben Leese.

No. 8—A. Rossi, L. Dematteis, Elmer Hartsough, C. J. Whitley, James Eva, Pierce Coombes, Glen Alexander and Chris Uhlenberg.

No. 9—Fred Schmitz, H. H. Duncan, Andrew Stewart, Glen Pennebaker and William Stevens.

No. 10—G. L. Kniveton.

No. 11—Norman Menifee, George McQueen and T. W. Cutting.

No. 12—Harold E. Simpton, Roy Gordon, J. W. Wright and Frank G. Warner.

No. 13—W. R. Millington.

No. 14—Al Robertson.

Utility—B. L. Werder.

School Buses Face Check for Safety

All 26 public school buses in operation in San Mateo county are being checked for their safety, Captain Paul Perussina of the state highway patrol announced today.

Three officers, John Couch, John Quinlan and Perussina, are inspecting the glass, brakes and safety devices of the coaches.

S. M. Bank to Buy Burlingame Bonds

BURLINGAME, Sept. 18—The city council voted last night to accept a bid of the National Bank of San Mateo to buy from that city an $86,000 bond issue for a sewage disposal plant.

The bonds are to run 20 years and will bear 3.4 per cent interest. The bond issue was approved at the primary election August 28.

RAINBOW FASHION SHOW MONDAY EVENING TO BE COLORFUL AFFAIR

PLANS are being completed for the large card party and fashion show to be given by the Order of Rainbow for Girls Monday evening at the Masonic Temple on Main street at 8 o'clock.

Fashions for young girls and women will be modeled by Rainbow Girls and members of the Order of the Eatern Star. One of the outstanding features of the evening will be the latest styles in men's evening, business and sports wear. Local business men will model these. Another feature of the evening will be a wedding party which is being arranged by one of the Rainbow girls.

The card party, which will not be progressive, will start at 8 o'clock and the fashion show will take place at 9:30. Refreshments will be served following the show.

Assisting Mrs. William Dusel as chairman will be Mrs. A. J. Weiss, Mrs. Norris Cummings, Mrs. Howard Warner, Mrs. Charles Bendeich, Mrs. Otis M. Carrington, Mrs. J. M. Edling, Mrs. Caswell Swett, Mrs. Jay T. Cooper and Mr. Clayton Langford. Alice Swift, who is chairman of the girls, will be assisted by Anne Ott and Louise Bendeich. Musical selections will be by William Dusel Jr.

Modeling women's clothes will be Mrs. Herman Phillips, Mrs. Jay T. Cooper, Mrs. H. A. Clattenburg, Mrs. E. Marmont, Mrs. A. J. Weiss, Mrs. Anna Bennett Robb, Dr. A. Oakes, Mrs. Max Thornton, Mrs. Philip Forsyth and Miss Carol Carrington.

Rainbow girls' modeling will be Phyllis Williams, Beatrice Maranta, Shirley Langford, Josephine Gibson, Mary Bell, Brita Seebohm, Phyllis Blackington, Mildred Tripp Leila Swett, Louie Bendeich, Dorothy Boyer, Mildred Edling, Dorothy Gould, Charlon Lothrop, Phyllis Pennabaker, Dorothy Rundle, Evelyn Pinkham, Carol Woodhams, Jane Ducret, Beth Moulthrop, Sorita Zimmerman and Helen Maninat.

Bond Purchase Is Considered

Readiness Is Indicated To Buy 1915 Issues At Discount

A tentative schedule of prices under which delinquent 1915 improvement act bonds might be purchased at a discount by the city may be worked out by Redwood City, it was indicated at the city council meeting here Monday night.

Possibility of purchasing more bonds at a discount when they are available were discussed by the councilmen at length with V. N. Lundy, representative of Davis, Skaggs and Company, through whom the city recently purchased one block at 56 cents on the dollar.

Councilman Paul A. McCarthy suggested that Lundy might work out with City Treasurer B. E. Myers a tentative schedule of prices from between 50 and 60 cents, depending upon the condition of the districts, that might serve as a guide if any bonds appeared to be available.

Lundy declared that several blocks of Redwood City improvement bonds have been offered within the past few weeks, although he said that he did not know the exact price desired.

He also suggested that the city might vote bonds to purchase 1915 act bonds at a compromise figure, by which means the city also could save on interest as well as secure the bonds at a discount.

Other matters considered by the council last night included the following:

City Manager E. A. Rolison and City Engineer C. L. Dimmitt were instructed to confer with Col. J. H. Skeggs, state division highway engineer, about a letter received by the council from Skeggs concerning the city's share of the quarter-cent gasoline tax fund.

The letter declared that pending a decision by the city as to the manner of expending its share it was desirable for the city to submit a letter in duplicate requesting an accumulation of its share for future use. A project statement to provide for expenditure may be submitted at any time subsequently, according to Skeggs' letter.

City Clerk B. E. Myers was directed to inform the Independent Movers' and Warehousemen's Association of the East Bay that its members might deliver household goods here without a license fee but that a license would be required to pick up a load. The association had asked for a reciprocal agreement with local movers.

E. I. Thorsen, of San Carlos, was granted a permit to erect a steel "dining car" on El Camino Real between Broadway and Brewster street provided the quality of the steel meets with the approval of Building Inspector I. C. Drathman and the city manager. It was granted on motion of Councilman James Eva, and second of Councilman McCarthy.

Action by the council on a fish selling stand ereected by E. I. Browne at 1420 Main street was continued for two weeks for investigation by members of the council.

Ward Baughn of Sequoia Union High School requested permission to erect a football banner across El Camino Real near the city's sign. City Manager Rolison was directed to confer with Colonel Skeggs of the state highway department for permission to erect the sign.

A letter from Julian H. Alco concerning his crime prevention law was filed.

City Attorney Albert Mansfield gave an opinion that 1915 act assessments do not affect applications for home owners' loans.

OWNER REGAINS PURSE, MONEY FOUND BY HOBO

Diogenes' quest ended in Redwood City late Saturday afternoon.

For at that time an itinerant traveler, who has no home, walked into the Tribune office to turn in to its lost and found department a purse that he had picked up near Mt. Carmel Church.

He wanted to leave it, so that it might be turned over to the owner, if she should be located. Questioned concerning an address to which any reward might be sent if there should be one, he declared that he had no home but that his next "address" would be general delivery, Santa Barbara.

A short time later the agitated owner also came into the office and identified the purse, which contained $4.47, still all intact. So agitated that she did not leave her name, the grateful owner nevertheless left a dollar reward, which today is being sent to George Kishner, general delivery, Santa Barbara.

Students to Help City in Count Of Traffic

Members of the civics classes of James Eva at Sequoia Union High School within the next few weeks will make a 12-hour traffic count at four Redwood City grade crossings for use as testimony at the continued hearing on their proposed closing before the state railroad commission at San Carlos on October 18.

The offer of their services was made by Eva, a member of the city council, at Monday's council meeting after City Attorney Albert Mansfield declared that he would like to have an up-to-date count at these crossings for submission as evidence.

Councilman Eva and City Manager E. A. Rolison will arrange for the count to be made at the Maple, Cedar, Beech and Chestnut street crossings.

City Attorney Mansfield gave the council a report on the first hearing on the proposed closing of 12 crossings between San Mateo and Redwood City, held at San Carlos recently. He expressed the belief that a traffic count taken now would show far heavier use than was shown in counts taken in February of last winter.

Week's Health Report For County Is Given

Several new cases of communicable diseases occurred throughout the county during the week ending September 15, according to the weekly report of Dr. Harold E. Morrison, county health director.

One case each of chicken pox, diphtheria and tuberculosis was reported in Redwood City.

Reports from other districts were: Atherton, one chicken pox; Belmont, six cases of tuberculosis (four non-resident); Burlingame, two tuberculosis; San Mateo, one tuberculosis and one scarlet fever; Daly City, one tuberculosis; and Half Moon Bay, one whooping cough.

Graceland Residents Request Road Repair

County Engineer James S. James today was studying the application of residents of Graceland Park for repairs on the roads in this district, located between Redwood City and San Carlos. Their petition was recommended favorably by the board of supervisors Monday.

K. A. Winter also spoke in behalf of the plea and said that the residents were prepared to donate $100 toward the improvements.

Bid for Road Shovel Accepted by Board

Bid of the Northwest Enngineer Company of $6915.01 for a power shovel for the county road department was accepted by the board of supervisors Monday.

After 10 bids for the shovel had been opened, and a conference held between County Engineer James S. James and the supervisors, the Northwest bid was accepted and purchase of the shovel ordered.

Five Are Hurt In Car Mishaps Over Weekend

Four of Victims Still In Critical State From Injuries

Five people were injured, four of them critically, in automobile accidents in the central part of the county Sunday.

Thomas Lee, 45, butcher, is in a serious condition with a fractured skull, four broken ribs and a broken leg, injuries he sustained when struck at Burlingame by an automobile driven by Miss Jane Brandenstein, 21, 2030 Gough street, San Francisco, daughter of Henry U. Brandenstein, attorney.

Claire Newkum, 13, 231 Ramona street, San Mateo, daughter of Mr. and Mrs. Oscar Newkum, suffered fractures and possible internal injuries when she stepped off a street car in San Mateo and was knocked down by a car driven by Palmer McCurdy, 524 Burlingame avenue, Burlingame. The girl's collarbone, jaw and arm were fractured. McCurdy is a son of J. E. McCurdy, San Mateo county attorney and civic leader.

Edward Paulsen, 16, San Mateo, is in a serious condition with a crushed chest, an injury he sustained in Burlingame when knocked from his bicycle by a car driven by Miss Teresa Ahern of Burlingame.

Mrs. Sophie Hammer, 49, 509 Coleridge avenue, Palo Alto, suffered a compound fracture of the left knee and other injuries when she was struck last night at the San Mateo bus depot, Third street and Railroad avenue, by an automobile driven by Frank Boring, 27, Thirteenth avenue, San Mateo. She was treated at Mills Memorial Hospital.

Flo James, Whittier, suffered a skull fracture when a car driven by Lemuel Wiley, in which James was a passenger, crashed into another machine at Burlingame.

Board Takes Steps For Office Building

The board of supervisors Monday afternoon sanctioned appointment of Will H. Toepke, San Mateo, and Capt. E. L. Norberg, Burlingame, as architects of the county office building proposed to be built under a PWA grant and loan secured by a bond issue to be placed before the voters at the November election.

Following recommendation for their selection by County Executive Walter Kellogg, the supervisors instructed District Attorney Edmund Scott to approve an agreement form. Under it there would be no charge by the architects until funds for the construction are available and no charge for preliminary services should the bonds fail.

Contract with the PWA for purchase of bonds not to exceed $112,000 and for a grant of $41,000 was presented by the district attorney and approved by the supervisors.

Plane Tires Stand 32 Ton Impact

Stewardess Libby Wurgaft peeks through a modern airplane tire used on United Air Lines' three-mile-a-minute, coast-to-coast transports. These tires, and the landing gear of the seven ton air liners, can withstand an emergency impact of 32 tons. Each tire has 433 feet of piano wire, and 6½ miles of cord, and carries only 25 pounds of air. Wheels are attached to a gear which is retracted into the wing in flight, adding 20 miles an hour to the cruising speed. These balloon tires were designed for smooth landings and quicker take-offs.

MENLO PARK NEWS

Bishop Edward L. Parsons confirmed a class at the 10:30 a. m. service in Trinity Church. Many years ago, when a young man, Bishop Parsons was rector of Trinity Church and his yearly visits here are enjoyed by his old friends.

W. H. Weeden has commenced work on the new home for Mrs. Suzanne Perry of Atherton. It will be of the same Spanish architecture as the stables Mr. Weeden recently completed for Mrs. Perry.

Isabelle Weeden Lindquist, rehabilitation chairman for Menlo Park American Legion Auxiliary No. 443, gave her monthly sing on Wards 7 and 17 at the U. S. Veterans Hospital Tuesday afternoon. The following ladies assisted her in entertaining patients: Mrs. Elizabeth Lyon of San Carlos, Mrs. A. Bullivant of Redwood City, Miss Meta Kuguelar and Mrs. Clarissa Ross of Menlo Park.

Public installation ceremonies will be held by American Legion Auxiliary Unit No. 443 on Tuesday, September 25 at 8:15 p. m. at the Presbyterian Church Social Hall.

Rev. and Mrs. W. L. Bone and their son, Gene, went to Escalon last week where Mr. Bone was formerly pastor in the Presyterian Church. While there Mr. Bone performed a marriage ceremony and Gene played the wedding music.

Mr. and Mrs. Audrey Rogers and their two daughters attended a family dinner at the home of Mr. Roger's sister, Mrs. George B. Moore of Stanford avenue, Palo Alto. The dinner was given in honor of their sister, Mrs. B. I. Difani and her daughter, Pauline, who has been visiting Mrs. Moore for the past two weeks. The dinner was in the nature of a farewell party.

Mrs. F. Lyon, secretary for the Bear Gulch Water Company left for her vacation in Santa Cruz. She will return in time to be installed as secretary of the local unit of the American Legion Auxiliary.

Mrs. R. Banks and her children are visiting Mrs. R. Kelley in Pittsburg. Mrs. Banks and Mrs. Kelley are sisters.

Mrs. Mansuetto and Mrs. Marshall were hostesses at the first St. Joseph's Mothers Club card party which was held in the Church of the Nativity Hall Wednesday afternoon.

Rev. Ralph Smith conducted private funeral services for the late Perry Eyre at the family residence "Fairacres" in Atherton Wednesday. Mr. Eyre was a vestryman for Trinity Episcopal Church which was founded by his family many years ago.

The last of the "summer dances" at the Menlo Country Club was an unusually gay affair preceded by several large dinner parties in town and on the peninsula.

Mrs. Daniel Jackling entertained dinner guests for her niece, Miss Virginia Allen, before the dance at her home in Woodside, and Miss Margaret Garceau was hostess at a large dinner party at her home on Jackson street.

October 24 is the date selected by Miss Ena Douglass and William McNabb for their marriage. The ceremony will take place at Victoria Manor, the Menlo Park home of the bride-elect's parents, Mr. and Mrs. Leon Douglass. Dr. D. Charles Gardner, Stanford University chaplain, will officiate. Only relatives and close friends are being invited.

The first of a series of prenuptial parties was the Mexican luncheon and shower given Saturday by Miss Betty McCann. Miss Louise Hahn is to give a dinner this weekend for the engaged couple and Miss Jane Neylan will entertain the following Saturday.

Mrs. Warren Spieker of Menlo Park, with her two daughters, Suzanne and Jane, and her son, Warren Jr., returned to the coast yesterday on the Malolo after a summer in Honolulu.

When the Malolo sails Sunday for her South American cruise, she will carry another peninsula family, Mrs. William P. Roth and her daughters, Lurline and Berenice, of Redwood City.

After an illness of five weeks, Mrs. Nellie Crockett Shurtleff, wife of Judge Charles A. Shurtleff, passed away suddenly last week at the family home in Menlo Park.

Private funeral services were held last Monday.

Besides her husband, the late Mrs. Shurtleff is survived by a nephew, Paul Wood, of Hillsborough, and by several relatives in Seattle where she lived for many years. She was, however, a native of Shasta county.

She married Judge Shurtleff on July 25, 1927, at Sacramento. The wedding was the culmination of a friendship which dated back to the childhood of both.

Judge Shurtleff is a former associate justice of the California Supreme Court.

Redwood City 30 Years Ago

Berthold Werder has taken the local agency for Lomita Park lands, which Roy Cloud was obliged to give up on re-entering Stanford.

Mrs. Heard and her little son, John Jr., of Bakersfield visited relatives here this week. On Thursday Mrs. Heard and Mr. and Mrs. Geo. H. Rice left for the springs to spend a few weeks.

Miss Jennie Brown, second eldest daughter of Mr. and Mrs. Brown of this city, was united in marriage last Sunday in Mountain View to John Cordoza of that place. The ceremony was preformed by Father Cullen. The young couple will reside in Mountain View.

Wednesday Game Warden Chase Littlejohn received 35,000 trout fry from the Sisson hatchery in Shasta county. They are rainbow and eastern brook trout. Mr. Littlejohn put them in the Fitzpatrick creek, which is a feeder to the Spring Valley lake at Searsville. When the rain comes the fish will go into the lake and there grow until they begin to spawn, when they will again go up the creek and become the prey to anglers.

Train-Auto Crash Tragedy Brings $30,000 Suit

Damages of $30,000 for the death of Mrs. Edna McGinn of Burlingame in a grade crossing tragedy at Oak Grove avenue and the Southern Pacific tracks last February 13 were asked today in a suit filed with the superior court by her husband and mother.

The Southern Pacific Company and the City of Burlingame are named defendants. J. H. McGinn and Mrs. Emma Hudson are the plaintiffs.

Mrs. McGinn's car was struck, and she was almost instantly killed by a train at the crossing. A compressor and embankment near the crossing were reported to have been confusing factors in a coroner's jury investigation.

CITY MAY LIGHT FIELD FOR SOFTBALL PLAYERS

Council Favors Plea To Give Adequate Night Facilities

Study of the possibility of installing a lighting system for the softball diamond at Sequoia field or perhaps on some piece of city property adaptable for baseball use was ordered by the city council at its regular semi-monthly meeting Monday at the firehouse auditorium.

City Manager E. A. Rolison and City Engineer C. L. Dimmitt were directed by the council to investigate the feasibility of the proposal after Al Bechet made a plea to the council for lights. The officials are to report on their findings at the next council meeting.

Bechet, in his address to the council, pointed out that because of the lack of lights the twilight league championship series has had to be removed to a foreign field where there are lights. Darkness has also caused other inconveniece, he said, asking that some provision be made for the many softball enthusiasts and players in Redwood City.

Councilman Evans Fletcher suggested that the council go into the cost and maintenance and get definite estimates. An estimate of between $600 and $800 for installation expense by the Pacific Gas and Electric Company was presented by Bechet.

Bechet declared that there was no objection to the lighting plan from the high school trustees.

Councilman Paul McCarthy declared that there were few funds available but that if there were any left near the end of the fiscal year he though the council should provide for them in next year's budget, he declared.

It was suggested by the city manager that the lights should be put on city-owned land if possible, because it was best that city money should be spent on city property. He though that it might be feasible to find some piece of city property that might be used for a diamond.

DIONNE BABIES SURVIVE ILLNESS

CALLANDER, Ont., Sept. 20 (AP)—The Dionne quintuplets were believed today to be well on the way to recovery from intestinal toxaemia which attacked them Wednesday and caused fears they would not survive.

All but Cecile were reported by Dr. A. R. Dafoe, their physician, to be definitely improved. Cecile the heaviest of the 112-day-old sisters, had a mild temperature and a little indigestion yesterday.

She gained three ounces Sunday, however, and her sisters, Yvonne, Annette, Emilie and Marie, also registered increases that left Dr. Dafoe "much more encouraged." An extra nurse is still on duty, however.

Mrs. Moody Plans Early Net Return

SAN FRANCISCO, Sept. 20 (AP)—Mrs. Helen Wills Moody, one-time queen of the tennis world, said today she hoped to return to the courts "very soon now."

The former champion indicated that the back injury which caused her to default to Miss Helen Jacobs in the national finals last year, had shown remarkable improvement.

HAS 6 FINGERS, TOES

LOUISVILLE, Ky., Sept. 20 (AP)—With his 12 little fingers and 12 little toes, George Davis, Jr., of Seatonville, Ky., age 22 months, got more attention than many an exhibit when he came to the state fair with his father.

George, Sr., a farmer, hopes his son may become a great football player, a boxer, perhaps—"and how he should play the piano." The child has six fingers on each hand, six toes on each foot.

$5420 Damage Suit Follows Auto Crash

As a result of a collision on the Bayshore highway at Ringwood avenue, Menlo Park, on July 3, a suit for $5420 damages was on file today with the superior court here.

Plaintiff in the action is F. B. Reusch. The defendants are the Independent Creamery and Ice Cream Company of Los Gatos, owner, and Archie E. Miller, driver of the truck with which Reusch's machine collided.

Attorney for Reusch is Preston Higgins.

'Write-In' Campaign Is Started in South

CORONA, Sept. 20 (UP)—Arthur Hillabow, president of the Fullerton chamber of commerce, entered the 19th congressional district race today as a "write in" candidate of Democratic factions, disatisfied with the Republican and Democratic nomination of Rep. Sam Collins, Santa Ana.

A group of prominent Democrats of San Bernardino, Riverside and Orange counties selected Hillabow as a candidate who would draw the support of both "old line" and "Sinclair" Democrats. Supporters said they would distribute among voters 200,000 cards bearing Hillabow's name in stencil so it could be traced on ballots.

Airmail carried on domestic and foreign routes by American operaters in 1933 was divided as domestic, 7,362,180 pounds; foreign extensions, 454,352 pounds.

Perjury in Dempsey Divorce Suit Alleged

RENO, Nev., Sept. 20 (UP) — James C. McKay, Reno night club operator, today was under indictment by a Washoe county grand jury on charges of perjury growing out of his testimony during the Jack Dempsey-Estelle Taylor divorce trial here three years ago.

McKay was Dempsey's resident witness at the proceedings.

During the divorce case, McKay testified he say the former heavyweight boxing champion in Reno every day for six weeks, a period of established local residence compulsory for a Nevada divorce.

During trial recently on charges of participating in a fraudulent business deal, McKay testified he was ill in a Vallejo, Calif., hospital during that period.

Police Seek Bandits In $20,000 Robbery

OAKLAND, Sept. 20 (UP)—Two bold bandits who took diamonds and uncut gems valued at $20,000 from a salesman in a daylight holdup in downtown Oakland were sought in the bay region today.

The holdup victim was Frank L. Enos, salesman for J. R. Woods and Co., San Francisco jewelry firm.

The bandits held him up at pistol-point late yesterday, forced him into an automobile, and drove him through crowded traffic to 20th and Webster streets, where they threw him from the machine after taking the gems from him.

Woman Injured As Auto Hits Hydrant

SAN MATEO, Sept. 20.—Mrs. Mae Lind, 45, San Jose, was critically injured here yesterday when the car she was driving struck a water hydrant on a San Mateo street. A passenger in the car, William A. Wallace, 60, also of San Jose, escaped injury.

The list of Mrs. Lind's injuries included broken teeth, a broken leg, internal injuries and severe cuts.

NEW ORLEANS LID ON VICE TIGHTENS

NEW ORLEANS, Sept. 20 (AP)—The clamp on gamblin and vice in New Orleans was tightened today in the political squabble between Mayor T. Semmes Walmsley and Senator Huey P. Long.

Spurred into action by Mayor Walmsley—and mindful of accusations of graft and corruption hurled at them for weeks by Senator Long—police embarked on a sweeping five-day campaign to close up every known disorderly house and gambling spot in the city.

Members of a vice squad created by Chief of Detectives John Grosch at Walmsley's instructions reported that many habitues of the old tenderloin section had left the district and that gamblers had taken to cover.

Mayor Walmsley ordered the clean-up campaign in a stern lecture to every ranking police official on the force.

Mayor Walmsley was on his way to New York today to preside over a meeting of the United States Mayors' Conference. Before leaving he declared he did not intend to resign as mayor.

Harking back to last week's election, disastrous for his old regular candidates, Walmsley exclaimed:

"Long didn't win the last election. He stole it!"

Cat Fanciers Form Incorporated Group

Copies of articles of incorporation of the California Cat Fanciers' Society, whose headquarters will be at Burlingame, were on file today with County Clerk Elmore B. Hinman's office.

A non-profit organization, the society declares its purpose to include encouraging the breeding of both long-haired and short-haired cats, operation of a pet hospital and the holding of cat and pet shows.

Among the directors are Mrs. Martha Wilson and Bernard W. Wilson of Redwood City and Mrs. Doris E. Reid of Burlingame.

San Mateo Awards Contract of $2200

SAN MATEO, Sept. 18.—The San Mateo city council last night awarded a $2200 contract for improvement on two streets adjacent to East Side Park to the H. E. Casey Company. Im provements will be made on Fremont and Santa Inez streets.

A. W. Deuel and James Mulryan were re-appointed members of the city planning commission.

The council voted to apply for SERA funds to the amount of $1500 to build a locker room and kitchen at the municipal golf course.

5000 FERA Cattle Starving on Island

MEMPHIS, Tenn., Sept. 20 (UP)—The Memphis Humane Society today charged that approximately 5000 head of FERA cattle, quartered on island 37 in the Mississippi river near here, was being allowed to starve gradually.

The charges were made by Mrs. Frank Sweeney, president of the society, who said she was preparing charges to present to government officials and to the National Humane Society.

FORGETS TO SEND BILL

PHILADELPHIA, Sept. 20 (AP)—In 1902 William T. Tilden, father of the tennis ace, presented a portrait to the Central High School in behalf of the class of 1874. In June, 1934, the school board got a letter from John McClune Hamilton, 81, of Mandeville, Island of Jamaica, West Indies, complaining he was never paid his $500 fee for painting the picture. Of course he wasn't, says an investigating committee—he forgot to send in a bill.

MRS. MICHELSON DIES

WASHINGTON, Sept. 20 (UP)—Mrs. Lillian Michelson, 60, wife of Charles Michelson, director of publicity for the Democratic National Committee, died here last night after an illness of one month.

FREE
Consultation
Without Obligation

Do not hesitate to come to us for consultation We are here for the one and only purpose of helping people to regain their health in the way that nature provided. If we can do this for you we will tell you so and also if we feel that we cannot help you with Chinese Herbs we will tell you.

Our offices are modern, clean and 100 per cent sanitary. Our reception room is always open to you and we want you to have the same confidence in us that we have in you.

If you are dubious of the results that can be secured through the use of Chinese herbs, we refer you to the hundreds of testimonials from people who have suffered and have secured actual relief and in most cases permanent cure through these wonderful, natural, life-giving herbs that have been the only remedy of the Chinese people for more than 4000 years.

Right here in Redwood City in the short time that our offices have been established here we have many testimonials from good and upright citizens of this community who swear by Chan & Kong's Chinese herbs because they have been relieved of their illness.

NOW is the time for you to take your health seriously and do something about it. Do not wait until it is too late. If you come now you may save yourself much pain and misery.

IF YOU ARE SUFFERING FROM ANY OF THE FOLLOWING OUR HERBS CAN HELP YOU:

General run-down condition, high and low blood pressure, rheumatism, neuritis, neuralgia, disorders of the stomach and heart, liver, lungs, bladder and kidneys, gall stones, female disorders, eczema, sciatica, carbuncles, abscesses, asthma, catarrh, tonsilitis, fever, influenza and many other ills.

The firm of Chan & Kong has been established in the state of California for more than 25 years and are honorably known in all parts of the state for conscientious, fair dealing. You may rest assured that you are getting the full knowledge of the finest herbalists in America when you visit the offices of Chan & Kong.

We invite you; positively no obligation of any kind. Consultation is absolutely free; YOU are the sole judge of our remedies and our methods.

Coast Scientists Develop New Cold Cathode Tube For Use In Radio Transmission

SAN FRANCISCO, Sept. 20 (AP)—Adoption of a new cold cathode tube, originally intended for use in television, to commercial radio transmission is declared a success by officials of Television Laboratories, Ltd., and other experts.

Invented by Philo T. Farnsworth, the new tube was tested in large scale radio work for the first time Thursday night in experimental broadcasting from a station in South San Francisco.

Messages were flashed to Hawaii, Los Angeles, New York and to ships at sea. The demonstration was conducted in the presence of university scientists, radio experts, representatives of wireless services and United States Army and Navy officers.

The simplicity and efficiency of the new tube, which operates cold in contrast to hot filament types now in use, were stressed by officials of the Television Laboratories, Ltd. J. B. McCargar, president of the concern, said the potentialities of the invention in the communication field, though still in a prelimnary stage, were clearly demonstrated.

A score of Dollar Line ships in many parts of the world, which had been instructed to pick up the signals, reported clear reception. Hawaii reported reception with loud speaker volume.

In the tube, which resembles a fruit jar, moving electrons coast freely, experts explained, and are bounced and re-bounced. The action furnishes the "oscillations" which, when piped onto the antenna, set up radio pulsations that carry a voice or broken chatter of the radio key to far-away places.

The impulses when received, experts said, have a high-pitched, flute-like quality and resemble a crystal-controlled transmission both in quality and frequency.

Farnsworth, young San Francisco inventor who is now in New York, developed the tube while seeking to improve television transmission. Recent demonstrations in this field have been declared successful by scientists.

In radio transmission, McCargan said, the tube promises to be revolutionary. He declared that being without filament it is practically indestructible and very stable in performance.

Among those who witnessed the final demonstration were Dr. Leonard F. Fuller, professor of electrical engineering at the University of California; Col. Frank Griffin, signal officer of the Ninth Corps Area, United States Army; Dr. Frederick E. Terman, assistant professor of electrical engineering at Stanford University; Gerhard R. Fisher, radio engineer, Naval Air Station, Sunnyvale,

Hasten to Sign Artist's Model

There was dirty work at the crossroads when Phyllis Brooks, above, beautiful artist's model of New York, was discovered by two movie studios almost at the same time. One company took a screen test of her, but the other got her name on the line by scrapping the screen test.

JAPAN STUDYING TRADE REPRISALS

TOKYO, Sept. 20 (AP)—Means of effecting commercial reprisals against Italy, Germany and Portugal were being studied by Japan today.

Koki Hirota, foreign minister, instructed his subordinates to determine how, under Japan's new trade protection law, steps may be taken to meet European restrictions against Japanese goods.

13 Masonic Lodges Dissolved In Germany

BERLIN, Sept. 20 (AP)—Wilhelm Frick, minister of the interior, today issued a decree dissolving 13 Masonic lodges. No reason was given for the action except the statement that it was done under the January 8th law giving the government the right to disband lodges.

GLASSFORD'S SON MARRIED

HOLLYWOOD, Sept. 20 (UP)—Gail Goodson, 18, motion picture actress, and Guy Glassford, 23, son of Brig.-Gen. Pelham D. Glassford, former Washington, D. C., police chief, were married yesterday at Agua Caliente in an elopement ceremony, friends learned today.

Milk Campany Wins Injunction in Court

The United Milk Company today is possessed of a permanent injunction against John W. Silva, J. F. Bettencourt, E. S. Harrison and the University Creamery against their solicitation of any of the United's milk customers in San Mateo county.

The injunction was granted in a decision handed down by Superior Judge Maxwell McNutt. Suit for the injunction was filed two weeks ago after the "Lucky Dairy" distributed milk to the other firm's customers and left statements declaring that henceforth they would be served by it. That night all customers got a double load of milk.

For the first time in a decade Montana State University holds all three major sports championships of the state—football, basketbal, and track.

Marriage License Application 'Joke'

Edwin A. Cadogan, 27, and Dorothy Simmons, 21, Marin Junior College students who applied for a marriage license here two weeks ago, now assure their skeptical classmates that it was "all a joke."

College officials, including A. C. Olney, president, and Mrs. A. G. Cadogan, mother of the prospective groom, saw the notice of intention in the paper and raised objections. The two culprits said the application was "just a prank." Miss Simmons' parents, who live in Placerville, also objected strenuously.

Yesterday, the two announced that the time for taking up the application had expired, and there wasn't going to be a wedding—not now, anyway. Cadogan is student body treasurer and captain of the crew at Marin. Miss Simmons is an art student.

Auto Plunges From Skyline

Man Is Killed; Woman Driver, Injured; Walks for Help

Antone Fillipi, 9, of 645 Pacific street, San Francisco, was killed instantly about 6 o'clock Tuesday when an automobile driven by Miss Edith Casavant, 27, plunged from the Skyline boulevard, four miles south of the junction with the Half Moon Bay road.

Miss Casavant was confused by fog and darkness and drove into a dangerous turn too rapidly, Deputy Coroner Frank Wyckoff said after an investigation. The car turned over in the accident.

Bruised and bleeding, Miss Casavant stumbled along the road after the crush, seeking help. She refused medical attention, and rode in the ambulance with Fillipi's body to Burlingame. Later the body was taken to San Francisco for burial.

Miss Casavant also lives at 645 Pacific street, a hotel. Her injuries were not serious.

A Hollywood inventor has succeeded in making a phonograph record which he uses for voices of little dolls he makes perform in a miniature theatre.

Examination of more than 3,200,000 motor vehicles last year disclosed the fact that three out of four had defects which made them dangerous on the highways.

Belmont Sanitary Trustees Are Picked

Mrs. Kay Williams and M. J. McDonough were elected commissioners of the Belmont Sanitary District at the district election Monday in the auditorium of the Belmont Grammar School.

The vote results were as follows: Mrs. Williams, 163; McDonough, 144; A. J. Canata, incumbent, 86.

Capt. A. T. Hasbrouck was named assessor of the district by polling 114 votes by a write-in, there being no candidates nominated for the post.

Dolph Camili, promising young first baseman of the Phillies, is a brother of Frankie Campbell, the boxer who was killed in a ring encounter with Max Baer.

Two Persons Hurt On Bayshore Here

Two Oakland persons were injured late yesterday on the Bayshore highway south of Redwood City when a truck collided with the rear end of their automobile while both were proceeding north.

Frank C. Brodie Jr., 31, 360 Twelfth street, Oakland, driver of the car, was lacerated about both elbows, and his companion, Miss Wilma Ford, 29, 614 Monadnock way, Oakland, incurred lacerations of both arms, the hands and face. Both were treated by Dr. Robert Monteith. Miss Ford later was taken to Mills Memorial Hospital.

Harold E. Jaurez, 24, 86 Broadway, Los Gatos, driver of the truck, was uninjured.

The accident was investigated by Traffic Officer John Couch.

Attorneys Planning To Attend Bar Meet

Several San Mateo county attorneys were in attendance at the seventh annual convention of the state bar to be held from Wednesday to Saturday at the Hotel Huntington at Pasadena.

Five local members have been asked by Judge John Perry Wood, vice president of the association and in charge of the committee on public information concerning assembly constitutional amendment No. 98, which has as its object removal of judges from politics, to represent the county. They are James T. O'Keefe, Redwood City, chairman; Gilbert D. Ferrell and Joseph R. Fitzpatrick, Redwood City; J. W. Coleberd, South San Francisco, and J. E. McCurdy, San Mateo.

CERTIFICATE OF INDIVIDUAL DOING BUSINESS UNDER A FICTITIOUS NAME
No. 676

KNOW ALL MEN BY THESE PRESENTS:

That I, the undersigned, Randall Johnson, do hereby certify:

That my full name is Randall Johnson, and that my place of residence is at 1725 South El Camino Real, San Mateo, State of California;

That I am transacting business in the State of California under the name and style of SAN MATEO ROOFING COMPANY, and that I am the sole owner and proprietor of said business; that the principal place of business it as No. 1725 South El Camino Real, San Mateo, State of California.

IN WITNESS WHEREOF, I have hereunto set my hand this 8th day of September, 1934.

RANDALL JOHNSON.

STATE OF CALIFORNIA,)
) ss
COUNTY OF SAN MATEO,)

On this 8th day of September, in the year One Thousand Nine Hundred and Thirty-four, before me, the undersigned, a Notary Public in and for the County of San Mateo, State of California, personally appeared Randall Johnson, known to me to be the person whose name is subscribed to the within and foregoing instrument, and he then and there duly acknowledged that he executed the same.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my Official Seal, at my office in the said County of San Mateo, State of California, the day in this Certificate first above written.

EDWARD I. McAULIFFE,
Notary Public in and for the County of San Mateo, State of California.

(SEAL)

My commission expires November 16, 1935.

(Endorsed) FILED in the office of the County Clerk of San Mateo County, California, September 14, 1934.

E. B. HINMAN,
County Clerk.

By MARY A. SULLIVAN,
Deputy Clerk.

Sept. 21, 28; Oct. 5 and 12, 1934.

It is possible to disprove paternity by blood tests, but it is not possible to prove it.

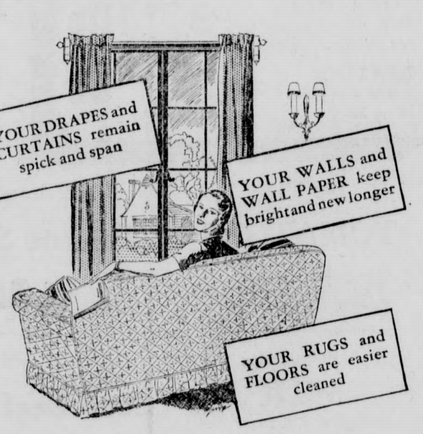
GAS CLEAN HEAT

NATURAL



YOUR DRAPES and CURTAINS remain spick and span
YOUR WALLS and WALL PAPER keep bright and new longer
YOUR RUGS and FLOORS are easier cleaned

WHEN Natural Gas heat comes in, dirt and dust and grime that is ever present with old fashioned fire-tending or smoky fuel goes out—forever. For Natural Gas is delivered clean, burns clean and leaves no residue to be gathered up and hauled away.

What a change too, this modern fuel brings throughout the house! Curtains, laundered clean and crisp, stay clean. Wall paper, ceilings, floors and rugs keep looking like new—years longer. There is no grimy dust settling into furniture and upon window ledges. Think of what all this means when both labor and worry of housework are lightened—made so much easier.

Save hours of needless work keeping fires up this winter. Change your basement or storeroom into a playroom or clothes-drying room this winter. Save money too in redecorating costs, renovating costs, rug cleaning bills, by changing to Natural Gas heating.

Why not make the change to modern, clean heat in your home this month—right now!

Anti-Crime Law Chairman Named

Mrs. John Manders of 228 Elwood street has been named as chairman of the Redwood City committee for the crime prevention law campaign, it was announced today. It is planned to form a local organization to secure signatures to petitions for the law.

The proposed initiative amendment to be presented to the legislature would prohibit the possession of pistols by anyone except authorized persons such as soldiers or peace officers and also the sale of pistols.

Among signers to the petition so far secured here are Mayor Charles Lambert, District Attorney Edmund Scott, Police Chief C. L. Collins, City Manager E. A. Rolison and Mrs. Herman Phillips, president of the Redwood City Woman's Club.

Hearing Is Called On Set-Back Lines

Property owners along El Camino Real within the city limits of Menlo Park are being invited to attend a hearing scheduled to be held this evening at 8 o'clock by the city planning commission of that municipality for the purpose of considering the question of establishing set-back lines on the westerly side of the highway, preliminary to the widening of the artery.

In order to facilitate the improvement it is proposed to set back the property line 34 feet on the west side of the road. The Menlo Park City Council is already on record as being favorable to effecting the widening as soon as possible. At a recent meeting of the planning commission it was recommended that steps be taken to prepare the way for subsequent action by the state in making the highway through Menlo Park wider.

Republican Precinct Captains Are Named

Precinct captains for this district were selected at a meeting of the Third Township Republican Club Tuesday night at the home of Charles Frey of Eaton avenue.

They will be notified to attend another meeting of the club on next Wednesday. Necessity of securing a large registration for the November election was emphasized. It was pointed out that September 27 is the last date when new registrations for that election may be made.

Doctor Investigates 'Parrot Fever' Case

SAN MATEO, Sept. 20 (UP)—Parrots from which two San Francisco people are alleged to have contracted "parrot fever," and which are supposed to have been purchased in San Mateo, were given new prominence today when the proprietor of the store in which whey were purchased was taken before Police Judge Louis F. Kinnell for questioning.

Dr. James Warburton, city health officer, who is investigating the case, refused to divulge the name of the proprietor.

SUPERVISORS ACT TO SUE FOR RIGHT-OF-WAY, GAIN SERA PROJECT APPROVAL

Way Paved for Early Start on $65,000 Road Job

Steps to push the Woodside grade widening and improvement project to a point where an early start can be made on actual work were taken Monday by the San Mateo County Board of Supervisors in session here.

District Attorney Edmund Scott was directed to commence suits in eminent domain to secure 80 per cent of the needed right-of-way land which has not yet been secured, and County Engineer James S. James was directed to prepare an application for a SERA or other work relief project to start preliminary work on the road as soon as the necessary land is acquired.

Preliminary estimates by James place the entire cost of the project, which is designed to reduce the present 25 sharp turns on this hazardous section of the Woodside road to five wide sweeps, at approximately $65,000.

Work Project Likely

The county engineer told the supervisors that there would be a good chance of getting a work relief project to clear the rights-of-way as soon as they are secured and to do necessary preliminary work, such as installing drains, culverts and ditches.

Then, he believed, a project might be secured for construction of the first section of the new road alignment.

A motion by Supervisor John W. Poole of Redwood City directing James to prepare the application was adopted by the board. District Attorney Scott also declared that this move to secure a work relief project would assist in getting court action under eminent domain proceedings.

Deeds Accepted

Deeds to five parcels of the needed right-of-way, covering approximately 20 per cent of the entire strip, were presented by Engineer James and accepted by the board. Total compensation for the land concerned in them was set at $553.50.

Action on the Woodside grade project was taken after Supervisor Poole moved denial of two petitions by residents of the Woodside district asking that the Woodside road be routed up the floor of the valley to a point where one branch would proceed into Woodside and another one possibly in the future to Canada road.

The petitions, presented to the board several weeks ago, asked that work on the present road be limited to surfacing.

Supervisor Poole's motion for denial was passed by the board unanimously.

Plans Are Told For Woman's Club Fashion Show

Much interest is being shown in the fashion show and bridge tea which will be given through the combined efforts of Charles Douglas of the Little Shop and the Redwood City Woman's Club Thursday afternoon, September 27, at the Woman's Club House on Clinton street. Bridge will be played from 2 until 3 and the fashion show will be from 3 until 4.

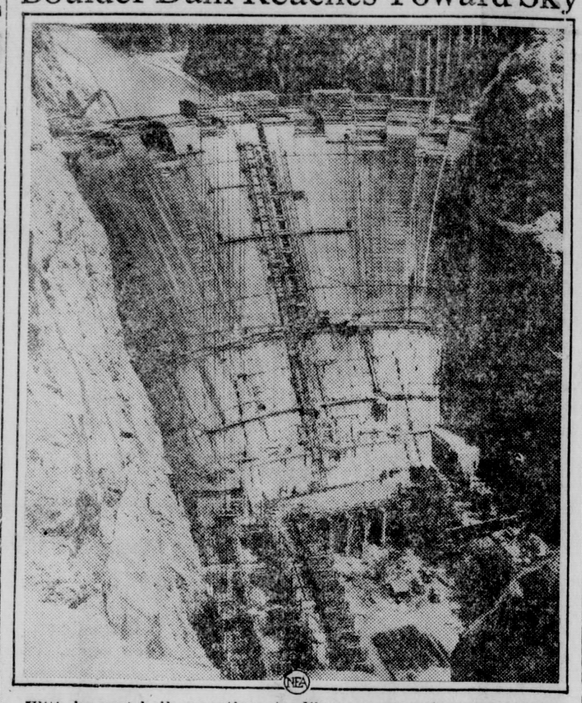
Mrs. Roscoe Wyatt will give the fashion talk and Mrs. J. E. Baugha will be in charge of bridge. Mrs. Ted Andrews and Miss Helen Smith will assist Mr. Douglas with the fashion show.

Local matrons modeling will be Mrs. Herman Phillips, Mrs. H. A. Clattenburg, Mrs. John Barter, Mrs. Clarmond Perry, Mrs. Herman Theil and Mrs. Neil Collins.

DRESSLER'S HOME SOLD

HOLLYWOOD, Sept. 20 (UP)—The spacious Beverly Hills home of the late Marie Dressler passed into new ownership today when Robert Mandel, Chicago merchant, purchased it for an announced price of $35,000. Mandel and his family will occupy it as a winter home.

Boulder Dam Reaches Toward Sky



With its vast bulk mounting steadily as construction crews drive forward with work on the mammoth federal hydroelectric project, the progress on Boulder dam is shown strikingly by this picture. The height which this section of the barrier has attained is shown as it appears from the Nevada rim of Black canyon.

Republicans Say 'Epic' Impossible

Upton Sinclair's "Epic" program is "impossible," and election of Frank F. Merriam for another term as governor is assured, the Republican Central Club of San Mateo county declared last night at a meeting in Redwood City.

Plans for an aggressive campaign for Merriam and George Hatfield were formulated at the meeting. The club will meet Tuesday in the court house with the newly-organized Republican county central committee to adopt a plan of co-operation in promoting the interests of Republican candidates.

Two Escape Injury As Auto Overturns

Two San Carlos young people, Miss Sally Weisinger and Edward Lopez, miraculously escaped serious injury yesterday when the car in which they were riding turned a complete somersault, crashed into a tree, and then plunged down a steep 150-foot embankment on the old King's Mountain road.

The automobile hit a soft spot and skidded off the road, investigating officials said, and was completely demolished, but the two people received only minor injuries.

New Vote Proposed On Sewage Disposal

SAN MATEO, Sept. 20.—Petitions were being circulated in San Mateo to call another special election for vote on a proposed sewage disposal plant, defeated August 28. The measure would be placed on the ballot of the November general election.

The petitions are being circulated by members of the chamber of commerce. The city council is scheduled to meet Monday night to call the special election.

Air transport lines in the United States have been carrying considerably more pounds of express this summer than a year ago but the number of passengers has been slightly lower.

Two Trojan Men Out of Openers

LOS ANGELES, Sept. 20 (UP)—Cliff Propst and Al Reboin, backfield veterans, today were tentatively counted out of Southern California's opening games, a doubleheader Saturday with Occidental and Whittier. Propst had several cracker ribs and Reboin an injured shoulder. Max Belko, Gary, Ind., recruit, continued his good showing and was moved into Propst's place at halfback.

Cutter Brings First Assistance to Nome

NOME, Alaska, Sept. 20 (UP)—The U. S. Coast Guard Cutter Chelan, after a stormy voyage from Unalaska, brought the first aid from the outside world into fire-devastated Nome today.

Shortly after their midnight arrival with extra supplies of food and medicine aboard, the crew of the government boat was assigned to patrol duty to aid Deputy U. S. marshals in protecting the foodstuffs saved from the $3,000,000 fire which swept the mining camp Monday.

California Pioneer Dies at San Mateo

SAN MATEO, Sept. 18.—Funeral services will be held in San Mateo Wednesday for Mrs. Addie S. Hall, wife of B. F. Hall, proprietor of a San Mateo pharmacy.

Born in Connecticut, Mrs. Hall came to California at an early age. Her father, Andrew Kerr Crawford, was a professor at the College of the Pacific when it was located at San Jose in the 70's. Mr. Hall was a pioneer druggist in Palo Alto, moving to San Mateo in 1916.

San Mateo Parrots Blamed for Disease

Two parrakeets, assertedly bought in San Mateo county, were blamed today by Dr. J. C. Geiger, San Francisco public health director, for two cases of psittacosis, or parrot fever, reported there.

One of the birds died, but the other escaped, according to Dr. Geiger. The victims are husband and wife.

Bair Island Purchase By Navy Would Reduce Dredging Costs; PWA Grant Still Held Intact

Renewed hope for the Redwood harbor project, a bond issue for which was rejected by the county harbor district at the August 28 election, was held here today with the revelation that the PWA loan and grant allocation for the harbor is still held intact and that Bair Island is reported more likely than ever to be selected by the navy for a seaplane base.

Acquisition of Bair Island by the navy would probably materially reduce the cost of the necessary dredging for the harbor, it was pointed out today by Henry Beeger, Redwood City member of the board of harbor commissioners, because the government would have to dradge at least a great portion of the channel at its own cost for that project.

It is estimated that $100,000 worth of dredging might have to be done to provide the proper fill for the island for use as a seaplane base.

Line Removal Negotiated

The government already has negotiations underway as to the cost of removing power line poles now on the island. In this connection, Beeger declared, the cost of removing poles on property being also considered adjoining the Sunnyvale airship base would be greater because the poles would have to be removed to a greater distance.

At present, the San Francisco headquarters of the public works administration is withholding dispatch to Washington of any decision to abandon the harbor project, and it is hoped to hold the harbor allocation intact, pending developments.

Other Plans Considered

Besides the prospect of Bair Island's selection reducing the dredging cost, plans are now understood to be being worked out further to reduce the cost of the harbor development by some $150,000. It is reported that a possible agreement might also be made to secure the necessary land on an unlimited lease term, together with the option that at any time the land could be purchased at the present figure.

Arrangements are also considered to secure a deferred payment plan for any dredging that would have to be undertaken by the district.

To accomplish these plans, in view of the defeat of the bond issue in August, one proposal under consideration is for the reduction of the size of the district and the submission of a bond issue of a smaller amount.

DEBT MORATORIUM LAW IS EXTENDED

SACRAMENTO, Sept. 20 (AP)—The bill extending to February 1, 1935, a moratorium on mortgage and trust deed foreclosures in California had been signed into law today by Acting Governor Merriam.

Governor Merriam announced he had affixed his signature to the bill Saturday following its enactment by the legislature, meeting in extraordinary session, but had delayed making public his signature pending a more exhaustive study of the engrossed copy.

Despite the fact he had been advised by a large corporation the new law would be ineffective because of an error in it, the chief executive said he was well satisfied with the measure.

"The legislative counsel," he said, "has advised me the new law is correct and I have gone over it carefully."

The moratorium extends to contracts of purchase of real property as well as foreclosure sales under a mortgage or deed of trust because of failure to pay the principal.

Court Challenges Farm Relief Law

BALTIMORE, Sept. 20 (UP)—The constitutionality of the Frazier-Lemke law affording liberal relief to debt-ridden farmers was challenged today in a decision by Federal District Judge Calvin Chestnut.

The court in a test case held the act ot be unconstitutional through violation of the rights of creditors as provided in the 14th amendment to the constitution and by seeking to supersede the jurisdiction of the state courts.

The measure was passed in the closing days of the last congress despite administration opposition.

Smiles Say Astors Are Friendly Again

NEW YORK, Sept. 20 (UP)—The smiles which John Jacob Astor III and his wife, the former Ellen Tuck French, exchanged during the wedding of Miss Joan Blake and Henry Harjes, were the subject of society whispers today. The interpretation was that in spite of their reported stormy parting in Providence, R. I., last Sunday, they now were on friendly terms.

The Astors were the center of a near-riot at the wedding, one of the most fashionable of the season.

During the ceremony, Mrs. Astor was seen to smile at her husband. He grinned, then blushed.

Skyline Zone Law Hearing Is Set By Board

Public hearing on an ordinance providing for the zoning of property along the Skyline boulevard was set for 11 a. m. October 1 by the boad of supervisors Monday after receiving a recommendation for passage from the county planning commission.

Among other actions taken by the board were the following:

Bid of the Pacific Gas and Electric Company for supplying street lighting to the Menlo Park Lighting District for a five-year period was accepted on motion of Supervisor John Poole of Redwood City over the negative vote of Supervisor Albert Witt of Colma, who moved that County Executive Walter Kellogg pool all lighting district into one to secure a cheaper rate. His motion was declared out of order by Chairman C. V. Thompson. A check for $3100 accompanied the P. G. & E. bid.

Appropriation of $100 to provide gas heating for the Third Township justice courtroom here was approved.

Consideration of the requested $12,000 appropriation for the proposed livestock exposition building at Visitacion Valley was continued for two weeks after Chairman Thompson said he understood that San Francisco was withdrawing its appropriation. The Redwood City Promotion Association submitted a resolution supporting the project.

Official canvass of the votes cast in the special Redwood harbor bond election held in conjunction with the August primary was approved. The canvass showed a total vote of 28,108, of which 11,830 favored the bonds and 16,278 were against.

Nine thousand lead pencils could be made from the carbon in the human body.

Doctor Recovering From Crash Effects

Dr. John N. Blood is now at home convalescing from injuries received in a serious automobile accident Saturday, while taking his two daughters, Aurelia and Emily, and their friend, Roberta Connor, to the football game at Watsonville.

Dr. Blood was forced into the ditch and smashed into a tree by a truck which swerved out when he was attempting to pass it on the highway south of Morgan Hill. Luckily, no one was very seriously injured, although the occupants were thrown clear of the car.

Prowler Takes $25 In Burlingame Home

BURLINGAME, Sept. 20—A burglar took jewelry valued at $25 Monday night from the home of Mrs. A. N. Bentley, 1136 Capuchino street, she discovered when she returned home late yesterday.

The prowler entered the house through a rear window and ransacked drawers to get his loot.

Trains to Carry Patrons Direct To Races

A spur track will be built at the new Bay Meadows horse racetrack now under construction at San Mateo to bring passenger trains right to its gates.

This was revealed today when the Southern Pacific Company submitted to the board of supervisors a request for permission to construct the spur across the old county road at Beresford station into the racetrack grounds.

Plans accompanying the application show that a platform 25 feet wide by 250 feet long will be built to serve trains on two tracks. The railroad application was signed by J. J. Jordan, superintendent.

Red Cross to Help Nome Relief Fund

The Redwood City chapter of the Red Cross will attempt to make provision from its own drive fund to contribute to the Nome disaster relief fund, Mrs. Z. T. Thorning, local chairman, announced today.

Contributions, however, will be welcomed by the local chapter and will be forwarded to headquarters of the Pacific branch of the Red Cross. "The situation is such that it justifies your chapter in urging all citizens to contribute," a letter from A. L. Schafer, Pacific manager, declared.

Improvement Club To Hear Speakers

Speakers will explain the Townsend Old Age Pension Plan at a public meeting of the North Fair Oaks Improvement Club tomorrow evening in the Garfield school.

The Townsend plan would provide by means of a 10 per cent sales tax $200 a month for people over 60 years of age.
